

### **Footpath No.3 – From Bridleway 47 at Headley Wood Farm to Bridleway 54**

#### **Note: This path has stiles:**

Start at BW47 where it joins the track to Headley Wood Farm. If you face due north you will see the Footpath sign inside a gate and a notice saying “Headley Wood, Private”. (Pics 1 & 2)

The Footpath goes left (NW) for a few yards then right (N) up an incline through chestnut coppice (Pic 3), then down to the edge of a large field (Pic 4).

The path turns left (NW) outside a field to rails (Pic 5) with a stile at the right-hand end (Pic 6).

Continue over the stile and across a grass field between wires (Pic 7) to a stile at the edge of the wood directly opposite (Pic 8).

Continue over this stile into the plantation. The path bears right, across a grass ride back into the plantation (Pic 9) to join the wide track of BW54. (Pic 10, reverse direction)

#### **Notes from original booklet:**

This footpath can be used as part of a walk from Headley Village to Trottsford Farm, or as part of circular walks round Broxhead Common and Headley Wood Estate. See Footpaths 1 and 2, Bridleways 47, 46 and 54.
