

## **Footpath No.12 – Junction of Bacon Lane and Frensham Lane to Surrey county boundary**

**Note: This path has gates.**

There is a finger post off Bacon Lane pointing along the drive to Field House. (Pics 1 & 2)

Just before the gate to Field House, the footpath goes right (Pic 3, no signage) and through a kissing gate (Pic 4).

This leads onto an open field (Pic 5, reverse direction) with no signage as to which direction the path goes from here. Follow the hedge and fence on the left (Pic 6, reverse direction) to another kissing gate (Pic 7).

Follow the path between rails past an ornamental lake (Pic 8) formed from the Barford stream. This is the county boundary with Surrey where Headley FP12 ends. It carries on (Pic 9) as Surrey FP29d to meet Surrey BW29 (Pic 10). Turn left here for Frensham Great Pond, or right for Churt and Barford.
