

### **Bridleway No.13 – Frensham Lane to Wishanger Lane**

There is a finger post near the entrance to Wishanger Place (Pic 1) indicating the route of the bridleway round two sides of a field (Pics 2 & 3).

At a bend to the right, the track joins its original route which is waymarked (Pic 4) – see old sign indicating that the path we have just used was once a 'Permissive Alternative Bridleway' (Pic 5).

The path broadens into an accommodation road for a number of houses (Pic 6) and soon reaches Wishanger Lane (Pic 7, reverse direction) where there is a finger post (Pic 8).

### **Notes from original booklet:**

This bridleway can be part of a circular walk from Smithfield Lane via BW14, on to FP12 and back via Surrey paths and then Headley FP16 and BW15.
