

## **Footpath No.22 – Surrey county boundary to Hammer Lane, via Barford Lower Mill**

### **Note: There are steep steps on this path**

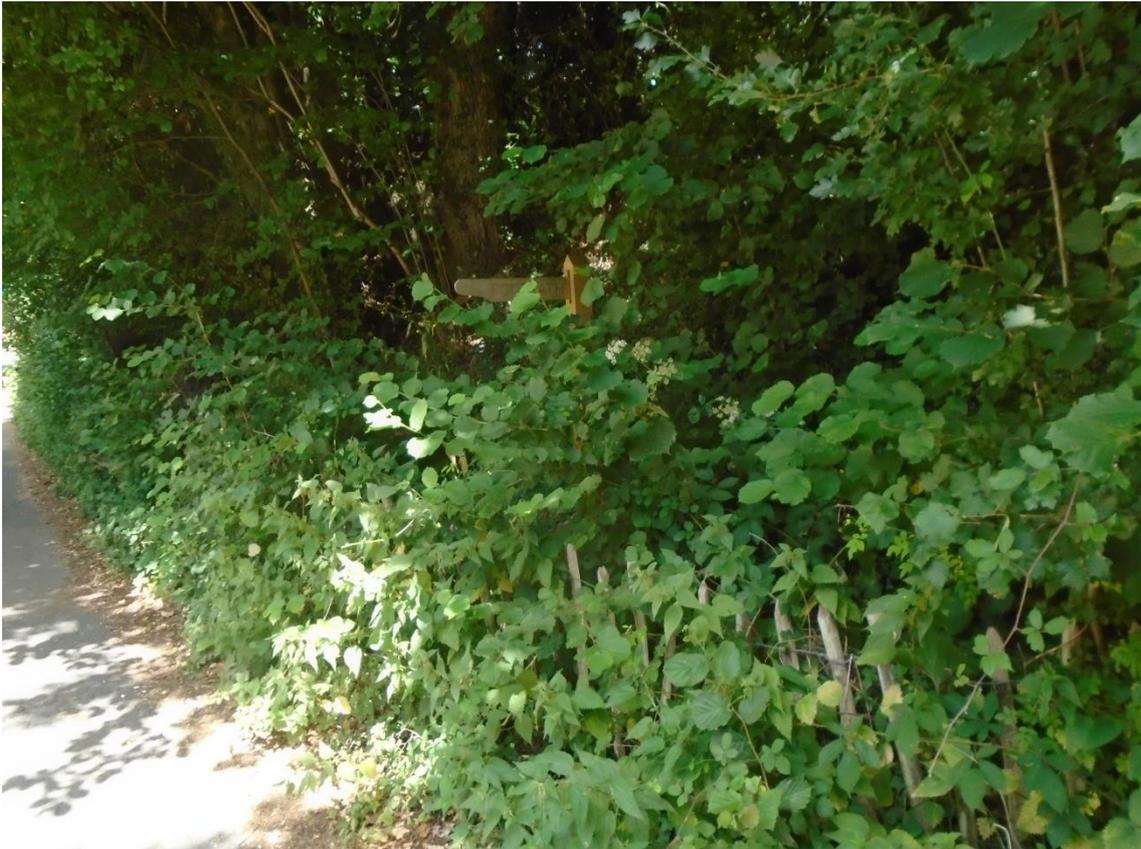

A finger post on Kitts Lane (Pic 1) points into the garden of Barford Lower Mill and up two sets of steps (Pic 2).

The path goes underneath a yew tree (Pic 3) and follows first a fence then a wall (Pic 4) to meet the drive of Barford Farm (Pic 5).

Follow this drive to Hammer Lane (Pic 6, reverse direction). There is a finger post here on the opposite side of the road.

**Note:** This path seems to be little used and can become overgrown.
