

**Bramshott Bridleway No.55 – Gentles Lane to Headley Lane/Liphook Road along the Headley Parish boundary [includes Bramshott BOAT 14]**

From Gentles Lane take the accommodation track to Harambee and Summerfield (Pics 1 & 2). There is no indication that this is a bridleway.

After the entrances to Harambee and Summerfield (Pic 3) the track narrows (Pic 4) and narrows again (Pic 5).

At an entrance to stabling (Pic 6), BW55 officially becomes BOAT 14. There is no signage to this effect.

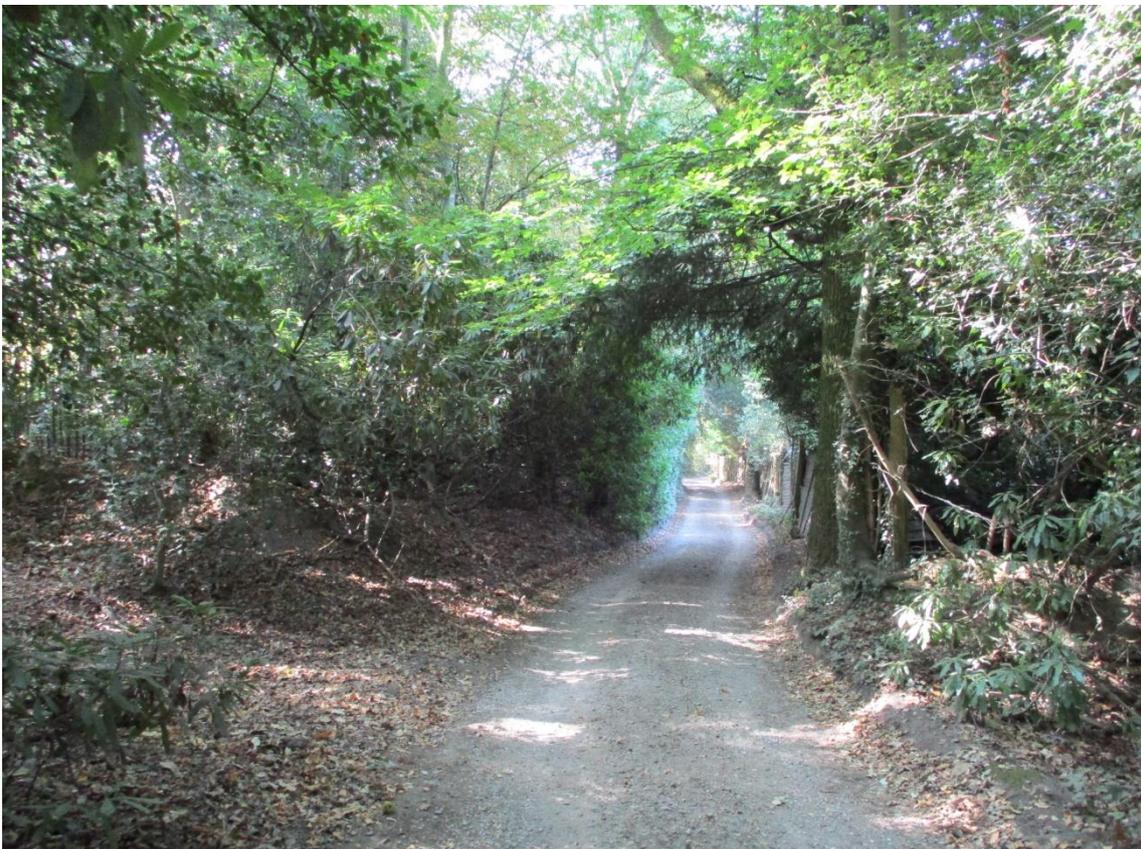

It emerges beside *Tilburys* onto Headley Lane/Liphook Road (Pic 7 – Pic 8 reverse direction). There is a post here indicating the track is a Bridleway – no mention of a BOAT.

*On the official HCC map these tracks are labelled as being within Headley parish, although given Bramshott numbers.*
