

Footpath No.501 – Headley Hill Road to BW18

There is a guide post on Headley Hill Road leading diagonally into woodland (Pic 1).

The path takes a sharp bend right (with guide post) around the corner of a property (Pic 2) before reaching a crossing with FP502 (Pic 3).

Our path goes straight ahead, descending gradually to its junction with BW18 where there is a guide post. (Pic 4 showing reverse direction)

Note: The woodland (Headley Hill Woods) surrounding the top end of the path is privately owned, but after the crossing of paths it soon (at a concrete post marker) becomes the property of Headley Parish Council.

This footpath was in the past numbered FP52.
