

**Bridleway No.507 – Grayshott Road (B3002) to Ludshott Common [becomes Bramshott BW512]**

This is a short bridleway in Headley parish which leads to greater things within Bramshott parish territory.

It starts at a junction with BW506 (Pic 1) and goes directly to a well-used track (Pic 2) running along the parish boundary. *Turning left, it becomes Bramshott BW509 which extends round the north-eastern perimeter of the Common.*

Pic 1: Junction with BW506 (turning right). BW507 goes straight ahead.

Pic 2: Track running along the parish boundary. BW507 coming out from the left.
