

**Footpath No.510 – Furze Hill Road to Ludshott Common (through woodland)**

The footpath starts at Furze Hill Road with a waymarked wooden post (Pic 1).

It is bounded by fences until, turning corner (Pic 2), it emerges into woodland (Pic 3).

Follow the path on its winding course until it descends to Ludshott Common (Pic 4) to meet Bramshott FP59 (Pic 5).

**Note:** Tracks off this path to the right can lead, in a sometimes adventurous fashion, through National Trust land to meet BOAT 38.
