

Footpath between Arford Common and Windmill Drive/Kay Crescent

The path leaves FP24 (Pic 1) near its exit to Arford Common and goes uphill with gardens to left and fenced woodland to right, emerging at a junction (Pic 2) with the path between Windmill Drive and Kay Crescent.

Note: This is a useful route for dog walkers and others from the Heatherlands area to Arford Common and footpaths west.

It is a surfaced path, but it is not known who has responsibility for its maintenance.
